

Evaluation pattern:

Session:2022-23

As you are aware, the CBSE has issued Circular No. Acad-05/2017 dated 31.01.2017 on the restoration of Board Examination for class X and revised assessment structure and examination for class X from Academic Year 2017-18 onwards. This new scheme will bring the uniformity in the system of assessment and examination for classes IX and X in all the CBSE affiliated schools. To increase the confidence in the students to start preparing for class X Board examination when they join the upper primary stage in class VI, the CBSE has decided to implement the uniform system of assessment, examination pattern and issue of report cards for classes VI to VIII also on the similar pattern. While keeping in view the provisions of Right to Education Act, 2009, the scheme for classes VI-VIII has been designed on Term Assessment basis with gradual increase in the learning assessment as the students move forward. This would prepare the students to cover the whole syllabus of the academic year and face the challenge of class X Board examination, and would thus, ensure the 'quality of education'.

2. The CBSE affiliated schools currently follow various systems of assessment and examination for classes VI to IX and issue different types of report cards to their students. Due to disparities in the system, the students of classes VI to IX face several problems whenever they migrate to another school. With the family of CBSE affiliated schools growing from 309 schools in 1962 to 18,688 at present, it has become imperative to have a uniform system of assessment, examination pattern and report cards for classes VI to IX for ease of students and other stakeholders. This will not only ensure the easy migration of students within the family of CBSE affiliated schools but also ease their difficulties while seeking admission in new schools.

3. With restoration of class X Board examination, the CBSE will issue the report card for class X based on the Board examination with effect from Academic Year 2017-18. As the assessment structure and examination pattern for class IX will be similar to that of class X, the report card for class IX issued by the schools should also be similar to that of class X.

4. As the CBSE affiliated schools are required to follow the NCERT syllabus in the upper primary stage, uniformity in the assessment structure, examination and issue of report cards across all the affiliated schools is felt necessary from class VI to VIII. The detail components of the scheme are mentioned below for easy understanding and implementation.
